The Beginning Of A Decade

1980 has a fresh, exciting ring to it. It's not just another year — there's something special about it: the anticipation of new discoveries, the promise of brighter days and a greater school.

1980

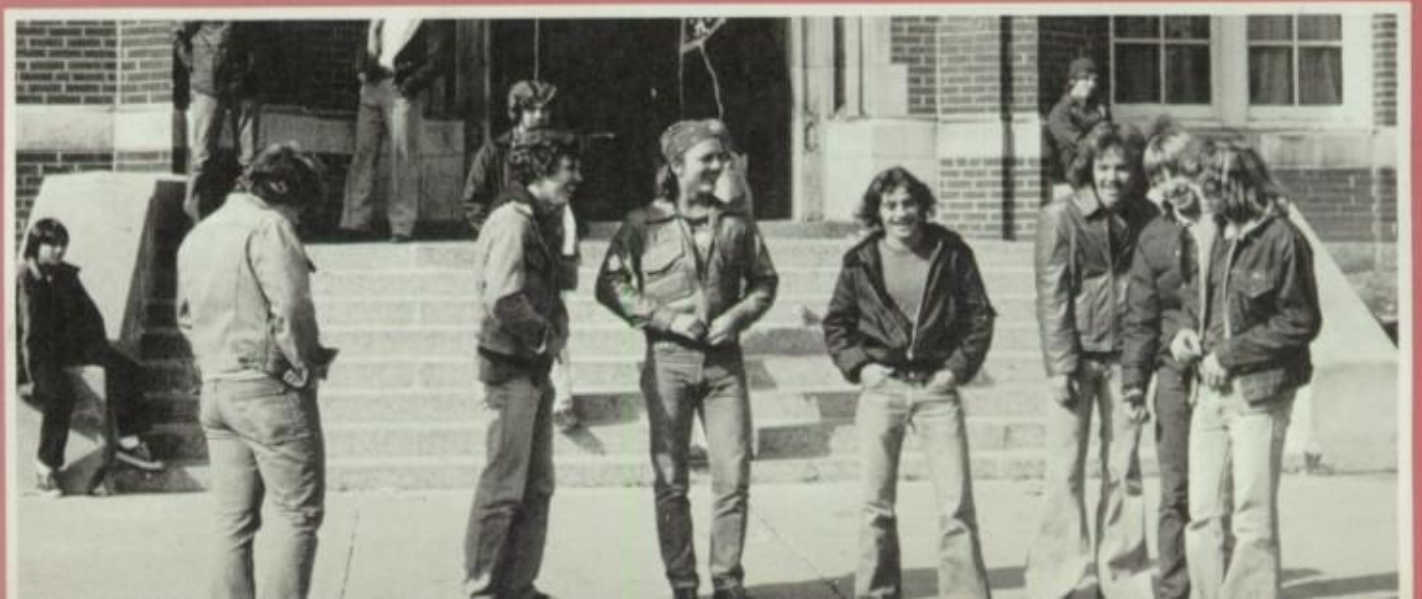

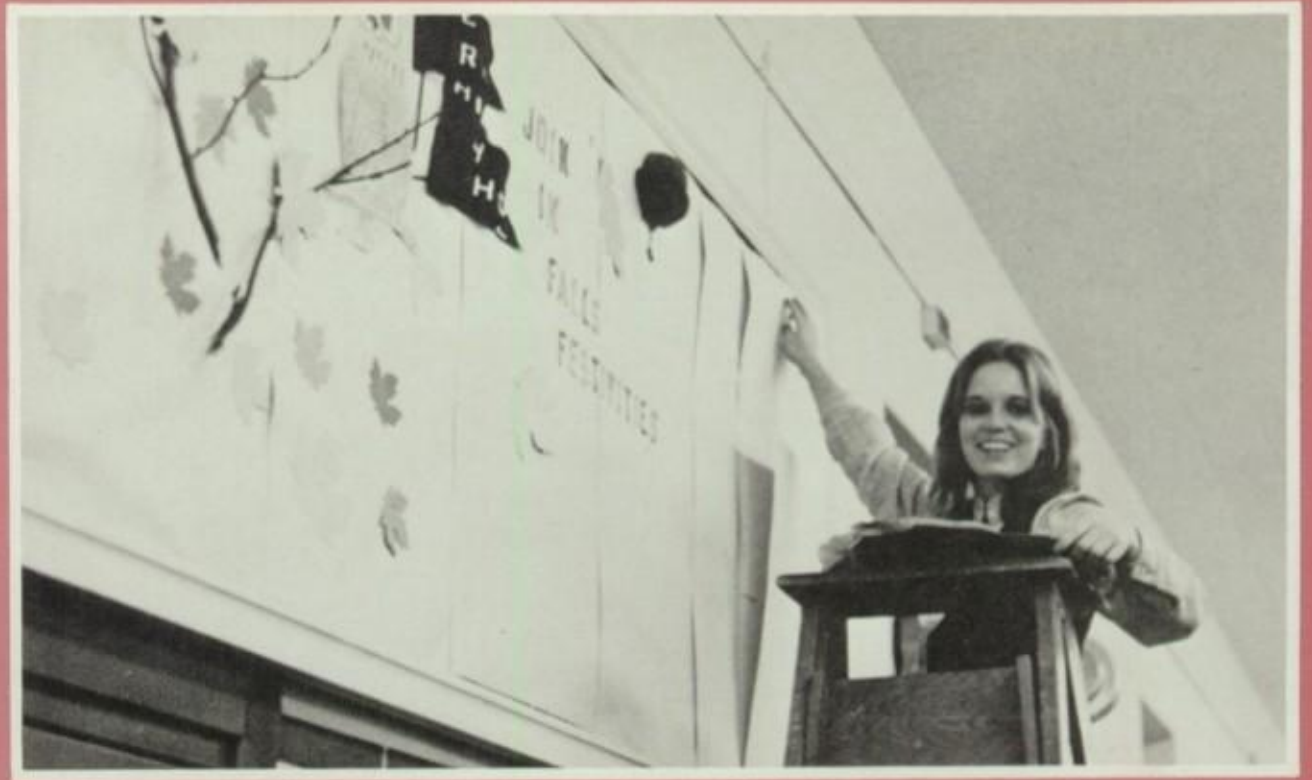

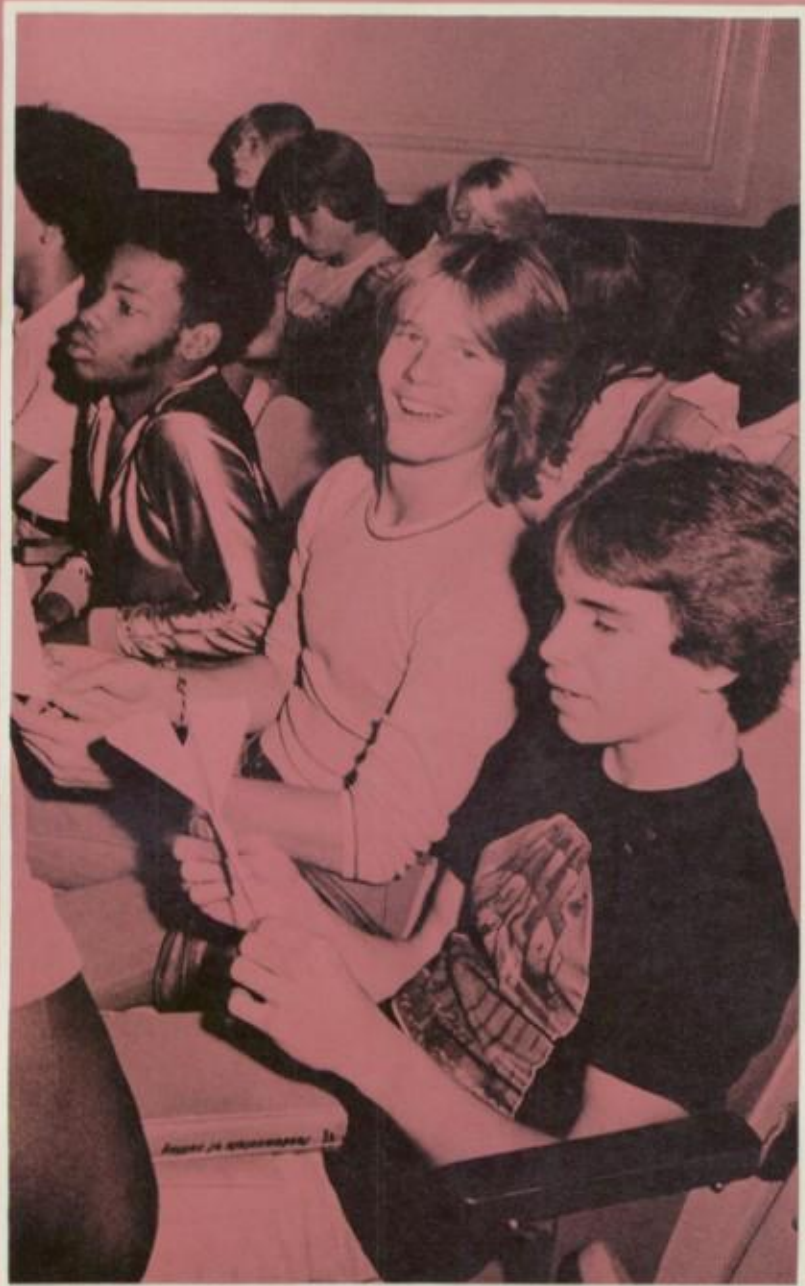

Gage

In the great 80's

What's it all about?

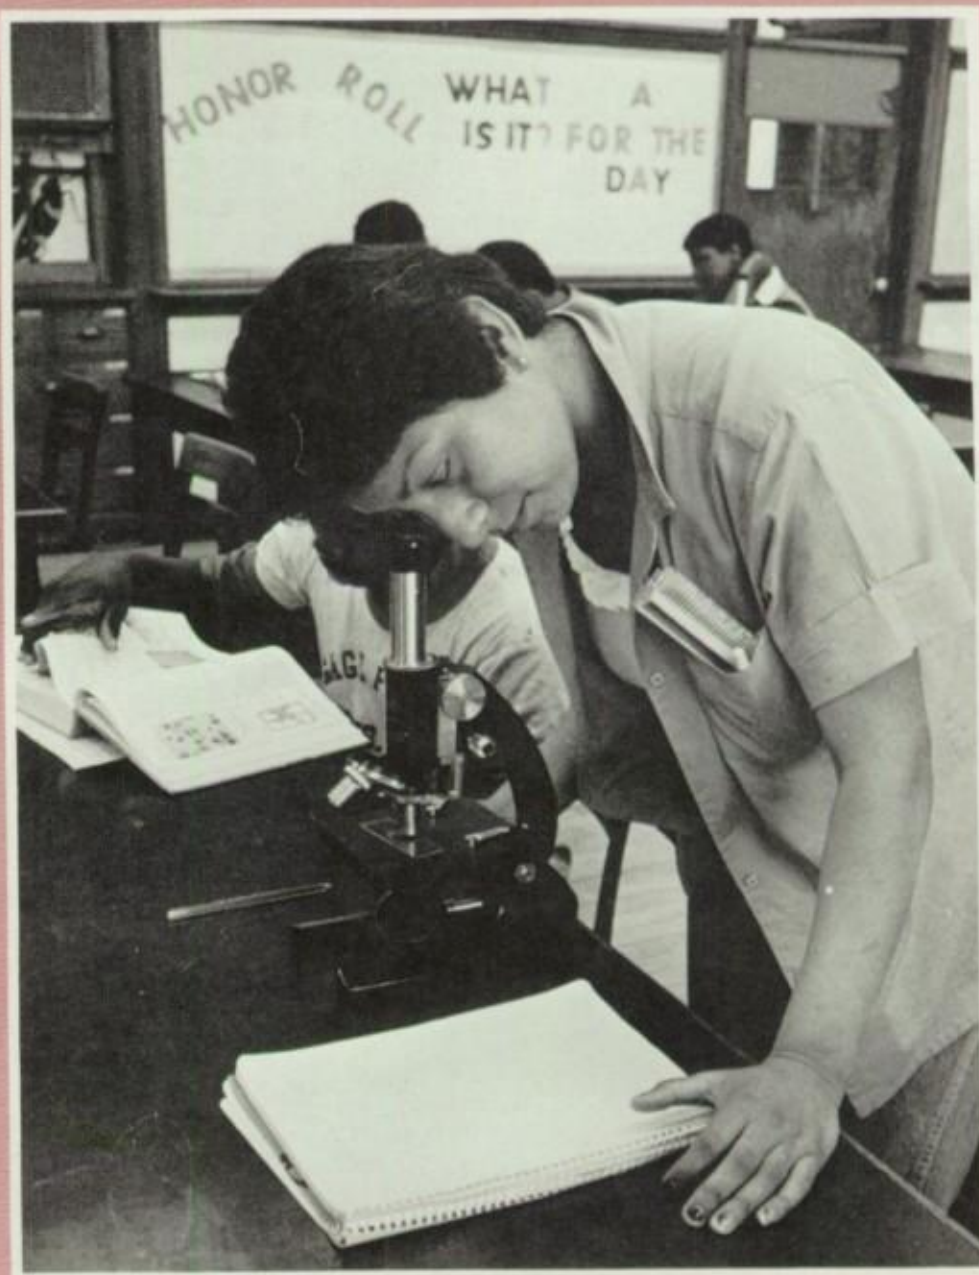

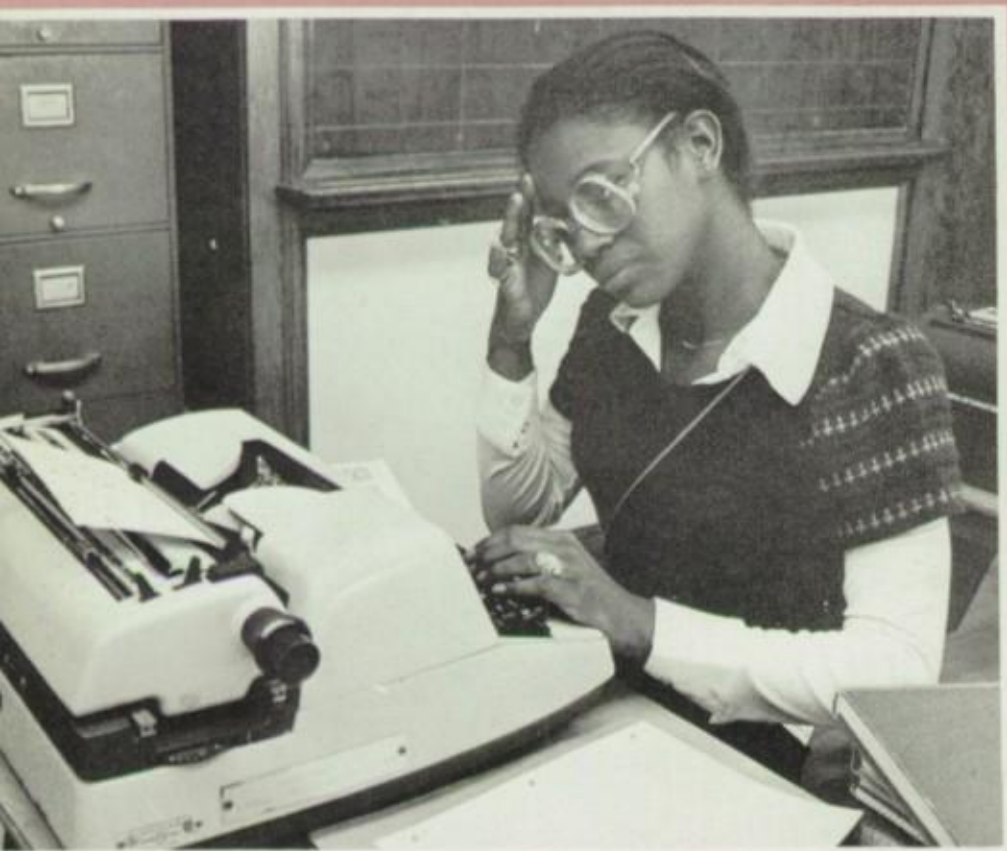

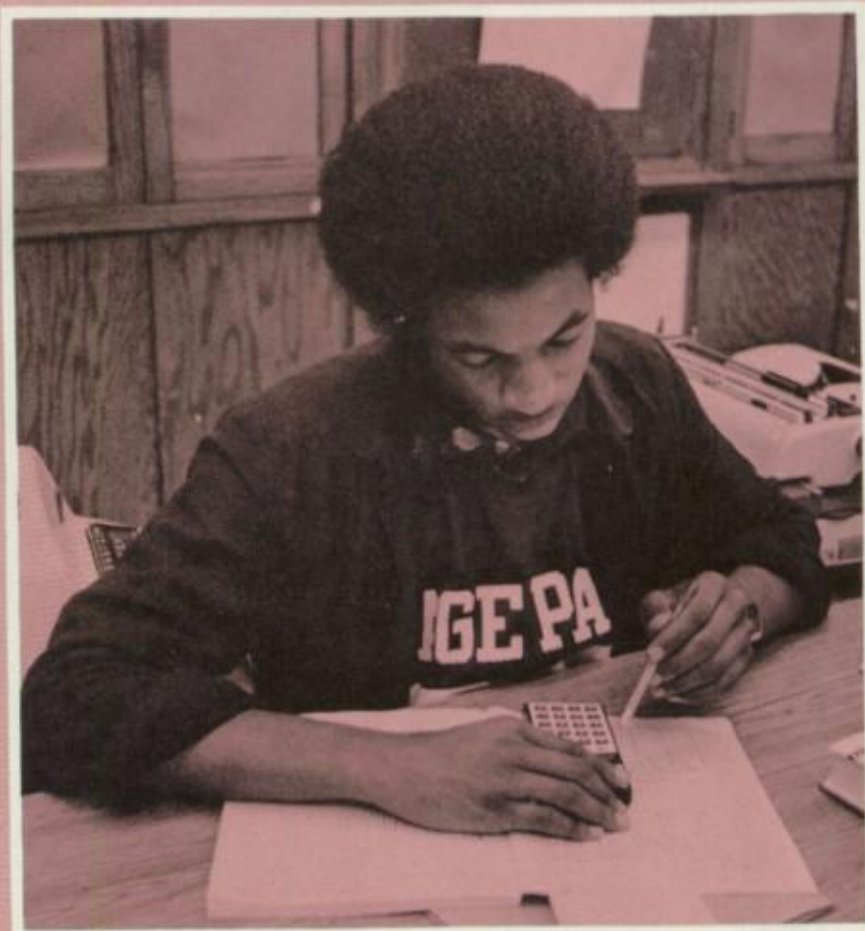

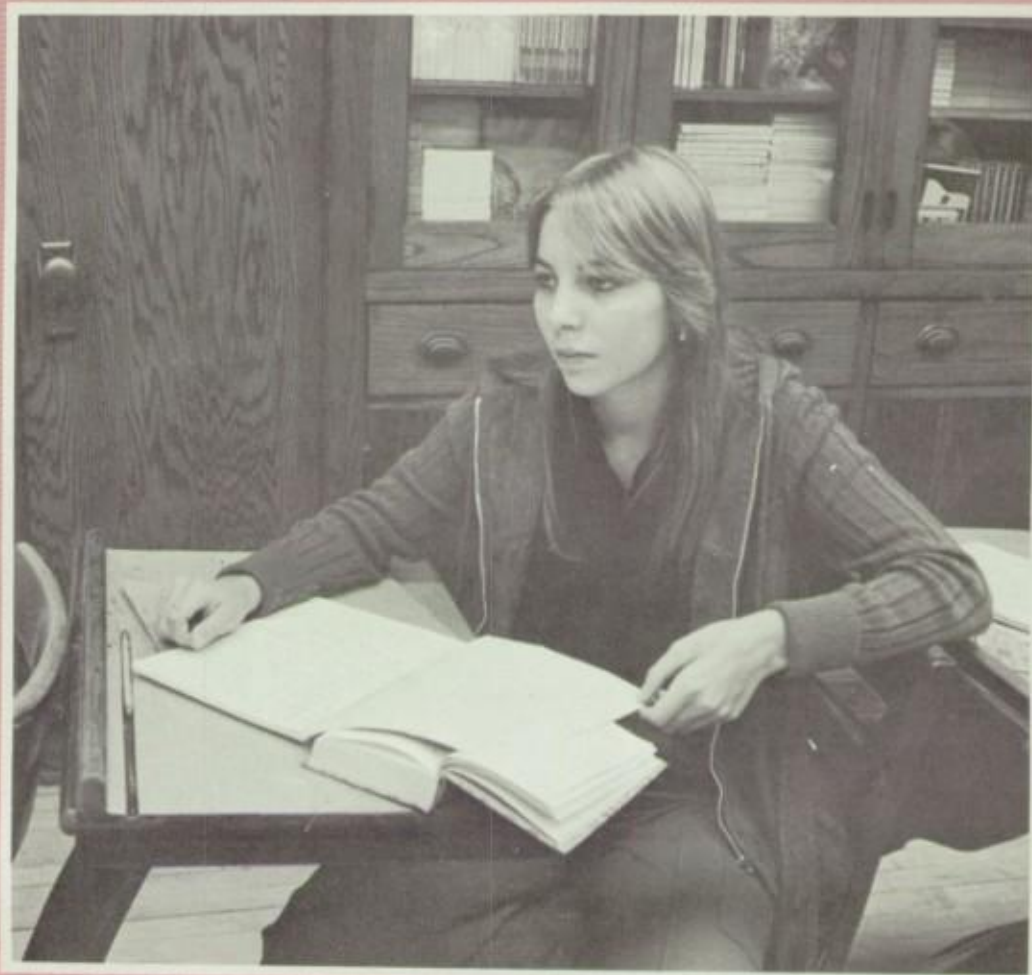

It's about laughing
and enjoying
friends, and
feelings to share
...

... it's about school spirit
and surprising victories ...

it's about learning til it pays off . . .

it's about you, me, and our Gage Park High.

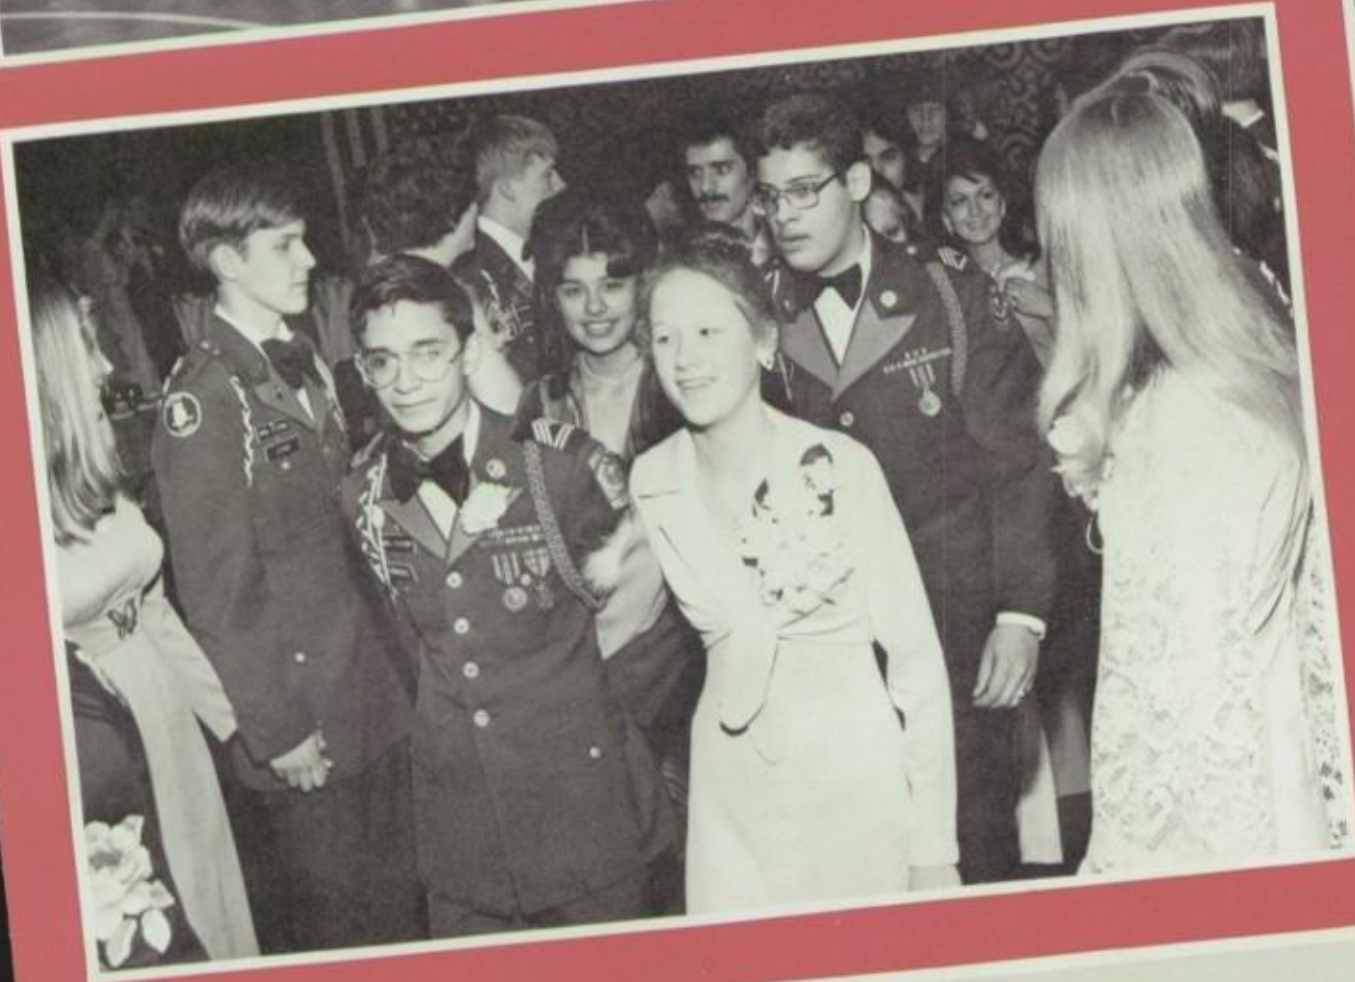

Memory Bank

Certainly we cannot forget the 70's,
because of the good memories.
Can you remember these people
and events from past years?

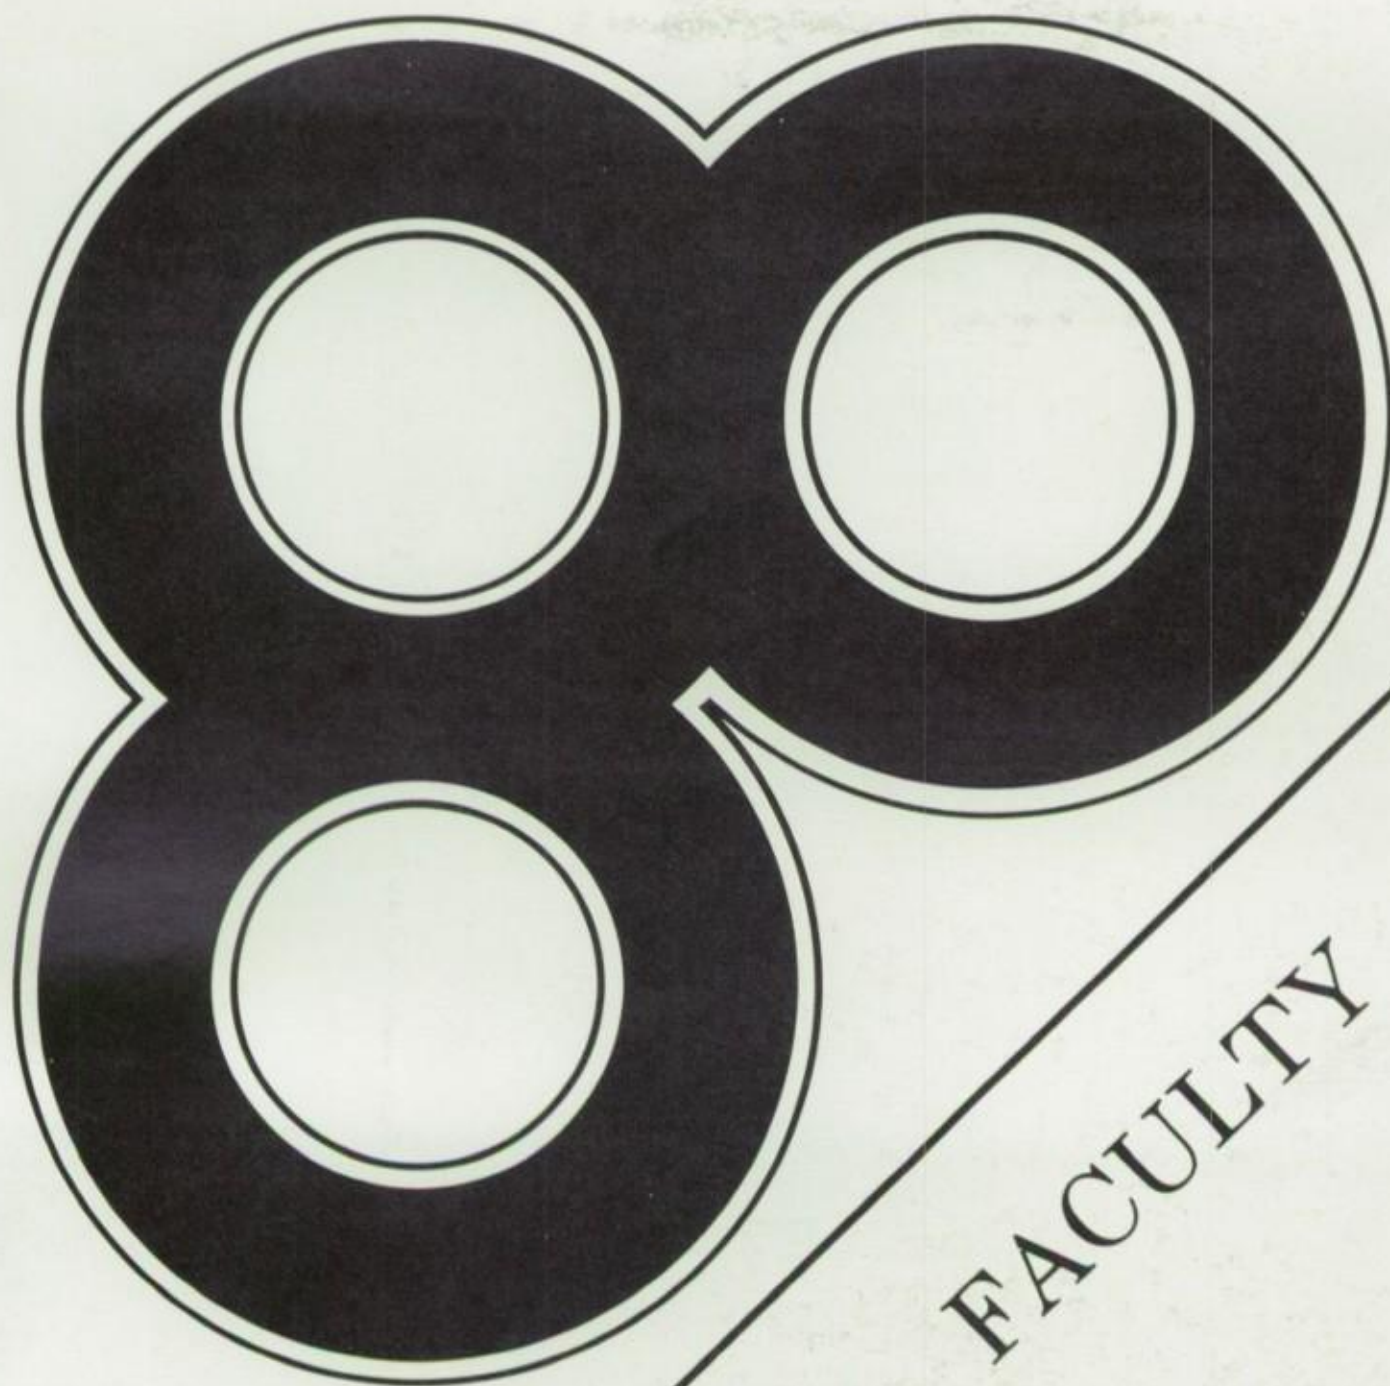

Best of Luck
Officer Stan

To the Graduates of '80:

During the past four years, teachers at Gage Park have tried to make your high school days profitable ones. When you came to Gage Park, you had many new and interesting educational experiences as well as many positive social experiences through activities and classwork. Because of taking part in school activities, you made many friends and came to feel that Gage Park was your school. Inasmuch as participation in sports and activities have enriched your school days, it is my wish that you now take an even greater interest in the civic life of your community.

We hope you enjoy your '80'' Yearbook both now and later when it recalls familiar faces and scenes that made your Gage Park days the happiest and most memorable ones of your life.

If you wander around
lost and confused
nothing makes
sense and you're
being abused
of the purpose
of life then
you'll surely
see is to
do more to
speed

mike, (EKIM)
I know you just want
attention that's why your
cocked back. Well I hope someday
you realize all the attention
you get even if it is from
Edzwiki, or Mrs Patterson
roaches were had a lot of
disgusting conversations
well it's been real
cosmic man I
could just feel our energy
collide. Well have a
fun summer

Mike,
I'm a little upset I know at good place to hang the book over the road where you hang the lamp. Oh, for a little more (back it in good?)

To: Mike
from Frances
6-9-80 Sat

Hi Mike,
It's been nice
having you in my
classes for 2 years and
I hope you are in my
classes for 2 more years
Have a fun summer and
see you next year

Peggy Williams
(Peggy Peggy)
Yah Team!

Mike,
Well, I really glad I
go to know you this
year or at least I think I am.
I hope we have a few classes
together. Have a great summer
Danna Day

Hi Mike,
I was thinking about you
and it was
very hard to
write this
letter to you
because I
don't know
what to say
to you
I hope you
are having
a great
summer
and I hope
to see you
next year
Love,
Danna Day

Dr. J. M. Brown

Mike,
 It was a unique
 experience being
 stuck in class
 during the
 time you
 were
 there.

What can I
write down in so many
words that hasn't already
been covered by the SCC?
Jeffrey Elder will help
PS: You just want ATTENTION!

Dear Yoko
Good Luck in your
last year of high school
and good luck in your
future as funny as you are.
Have a great summer.
(Alex

Best Wishes
